

Year 0-2 Syndicate Newsletter – Term 2

We have got another busy and exciting term lined up.

Topic (Social Sciences, Health, Drama)

Our major focus for the term is an inquiry unit about how we can stay safe in an emergency. This will include looking at the role of emergency services and identifying hazards. The children will come up with some questions and each class will work towards finding out the answers and then presenting what they found out.

P.E

Throwing and Catching

Art - Collage

PLEASE SEND ANY MAGAZINES AND FABRIC that are excess to your requirements.

Reading homework

Just a reminder that it is **very important** that children **read EVERY night**, as it is their chance to show you how **fantastic** they are at it. Regardless of whether your child is a capable reader, or needs some support, it makes a **big difference** if you spend **10 minutes** each day listening to them. Please also take the time to sign the reading notebook.

Dress ups

If you have any old items of clothing that would be suitable for dressing up, please send it along to Room 20. Thanks ☺

Nits

These (as always) are around in the junior syndicate. Please be vigilant about checking your child's hair and treating it!

Mathletics

Just a reminder that you can use this programme at home if you have access to the internet, there is access through the school website and it is well worth encouraging your child to use it regularly. It is important though that only your child uses their sign in details because once a high score is set we can't reset it.

Toys at school

There has been an increase in the number of children bringing toys to school. We discourage this as it can often end up with someone or something being damaged. If you could support us with this we would appreciate it.

Clothing

Please ensure your child comes to school with appropriate clothing. This includes **shoes that they can take on and off by themselves** as well as enough layers to keep them warm. The children are expected to play outside on days when it is not raining so it is better for them to come with too many clothes rather than too few.

Activity Fee

This term our activity fee is \$16. That's \$8 for two shows and \$8 for Mathletics.

Key bits to remember...

- Read with your child
- Encourage Mathletics
- Activity Fee = \$16
- Send magazines/scrap fabric and dress up stuff

Lastly if you have any questions or queries feel free to pop in and see your child's teacher. Thanks!
