

Mid-Year Achievement Data 2023

Achievement Analysis

Please note the following;

- ☐ Some students who are new to Waikanae won't appear in this data.
- ☐ Year 1&2 are missing Literacy data as we transition our juniors into our structured literacy approach and finalise our expectations.
- ☐ Syndicates are currently moderating and making judgements on student achievement so this data is subject to change.
- ☐ The data is based on a teacher OTJ (overall teacher judgement) which is based on observation, conversation and evidence from assessment (i.e. not taken from a single assessment/test).
- ☐ Ethnicity relies on what parents put on the enrolment form and there are instances where two siblings from the same parent can have different ethnicities ticked, therefore the numbers are not 100% reliable.
